manuscripta mathematica

Volume 42 1983

Editores

M. Barner, Freiburg
P. M. Cohn, London
A. Dold, Heidelberg
S. Hildebrandt, Bonn
E. Hlawka, Wien
T. Kato, Berkeley
M. Koecher, Münster
P. Roquette, Heidelberg
K. Stein, München
H. G. Tillmann, Münster
J. Tits, Paris

It is a fundamental condition that submitted manuscripts have not been published and will not be simultaneously submitted or published elsewhere. By submitting a manuscript, the authors agree that the copyright for their article is transferred to the publisher if and when the article is accepted for publication. The copyright covers the exclusive rights to reproduce and distribute the article, including reprints, photographic reproductions, microform or any other reproductions of similar nature, and translations. Photographic reproduction, microform or any other reproduction of text, figures, or tables from this journal is prohibited without permission obtained from the publisher.
While the advice and information in this journal is believed to be true and accurate at the date of its going to press, neither the authors nor the editors nor the publisher can accept any legal responsibility for errors or omissions that may have been made. The publisher makes nor warranty, express or implied, with respect to the material contained herein.

Special Regulations for the USA
Photocopies may be made for personal or internal use beyond that permitted by Section 107 or 108 of the U.S. Copyright Law, provided a fee is paid. This fee is $ 0.20 per page or a minimum of $ 1.00 if an article consists of less than five pages. Please pay this fee to the Copyright Clearance Center, Inc., 21 Congress Street, Salem, MA 01970, USA, stating the ISSN 0025-2611 volume, and first and last page numbers of each article copied.
The copyright owner's consent does not extend to copying for general distribution, for promotion, for creating new works, or for resale. Specific written permission must be obtained from the publisher for such copying.

Other Regulations
Authors of this journal can benefit from library and photocopy fees collected by VG WORT is certain conditions are met. If an author lives in the Federal Republic of Germany or in West Berlin it is recommended that he contact Verwertungsgesellschaft WORT, Abteilung Wissenschaft, Goethestraße 49, D-8000 München 2, for detailed Information.
